RUSSELL SHIRTS & WASHINGTON CO RECORDER
1998 DEC 04 16:52 PM FEE\$1863.00 BY BJ
FOR: WASHINGTON COUNTY COMMISSION

St. George, Utah

November 30, 1998

A regular meeting of the Board of County Commissioners (the "Board") of Washington County, Utah, was held on Monday, November 30, 1998, at the hour of 9:30 a.m. at the County Courthouse in St. George, Utah, at which meeting there were present the following members who constituted a quorum:

Gayle M. Aldred
Alan D. Gardner
Jerry B. Lewis

Chair
Commissioner
Commissioner

Also present:

Calvin R. Robison

County Clerk

Absent:

After the meeting had been duly called to order and the minutes of the preceding meeting read and approved, the following proceedings, among others, were duly had and taken:

The Chair stated that in accordance with a motion duly made, seconded and carried at the meeting of the Board on November 23, 1998 creation of Washington County, Utah Special Improvement District No. 98-1 (the "District") was deferred until after further study and consideration of the protests presented at said meeting.

Commissioner Jerry B. Lewis then introduced the following resolution in writing, which was fully discussed, and moved its adoption:

RESOLUTION NO. 708

A RESOLUTION TO CREATE WASHINGTON COUNTY, UTAH SPECIAL IMPROVEMENT DISTRICT 98-1 DESCRIBED IN THE NOTICE OF INTENTION CONCERNING THE DISTRICT AND AUTHORIZING THE COUNTY OFFICIALS TO PROCEED TO MAKE IMPROVEMENTS AS SET FORTH IN THE NOTICE OF INTENTION TO CREATE THE DISTRICT.

BE IT RESOLVED by the Board of County Commissioners (the "Board") of Washington County, Utah (the "County"):

Section 1. The Board of the County hereby determines that it will be in the best interest of the County to construct certain improvements within the County. The specific description of the nature of the improvements is more particularly set out in the Notice of Intention which has been published and mailed as required by law.

Section 2. The Board has heretofore considered each and every protest filed and has heard each and every person who wished to be heard in protest against the creation of the District or making of any of the improvements therein or on any other matter pertinent to the District. In view of the protests received at the meeting held for that purpose on November 23, 1998, action on the creation of the District was deferred by the Board until this meeting.

Section 3. The improvements proposed and described in the Notice of Intention to create the District are hereby authorized, and the District is hereby created.

Section 4. The properties to be included in the District described in the original Notice of Intention were approved by the Board on October 19, 1998. The legal description of said properties is more fully set forth on Exhibit "B" attached hereto.

Section 5. The County Clerk is hereby authorized and directed to file a copy of the Notice of Intention and resolution creating the District, as finally approved, together with a list of properties proposed to be assessed described by tax identification and a valid legal description of property within the District, in the Washington County Recorder's office within five days from the date hereof.

Commissioner Alan D. Gardner seconded the motion to adopt the foregoing Resolution. The Resolution was thereupon put to a vote and unanimously adopted on the following recorded vote:

Those voting AYE: Jerry B. Lewis
Alan D. Gardner
Gayle M. Aldred

Those voting NAY: None

Thereupon the motion was approved by the Chair and made a matter of record by the County Clerk.

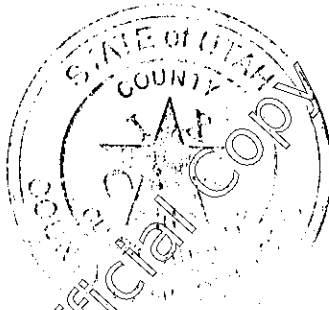

ADOPTED AND APPROVED this 30th day of November, 1998.

Chair

ATTEST:

County Clerk

(SEAL)

(Here follows other business not pertinent to the above.)

Pursuant to motion duly made and seconded, the meeting adjourned.

Chair

ATTEST:

County Clerk

(SEAL)

STATE OF UTAH)

COUNTY OF WASHINGTON)

I, Calvin R. Robison, the duly appointed, qualified County Clerk of Washington County, Utah, do hereby certify as follows:

That the foregoing pages constitute a full, true and correct copy of the record of proceedings of the Board of County Commissioners of Washington County, Utah, held on November 30, 1998, insofar as said proceedings relate to the creation of Washington County, Utah Special Improvement District No. 98-1 as the same appears of record in my office. I personally attended said meeting, and the proceedings were in fact as specified in said minutes.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of said County this 30th day of November, 1998.

CERTIFICATE OF COMPLIANCE WITH OPEN MEETING LAW

I, Calvin R. Robison, the undersigned County Clerk of Washington County, Utah (the "County"), do hereby certify, according to the records of the County in my official possession, and upon my own knowledge and belief, that in accordance with the requirements of Section 52-4-6(2), Utah Code Annotated, 1953, as amended, I gave not less than twenty-four (24) hours public notice of the agenda, date, time and place of the November 30, 1998, public meeting held by the County as follows:

(a) By causing a Notice, in the form attached hereto as Schedule "1", to be posted at the County's principal offices on November 25th, 1998, at least twenty-four (24) hours prior to the convening of the meeting, said Notice having continuously remained to posted and available for public inspection until the completion of the meeting; and

(b) By causing a copy of such Notice, in the form attached hereto as Exhibit "A", to be delivered to The Spectrum on November 25th, 1998, at least twenty-four (24) hours prior to the convening of the meeting.

IN WITNESS WHEREOF, I have hereunto subscribed my official signature this 30th day of November, 1998.

County Clerk

EXHIBIT "B"

LEGAL DESCRIPTION OF PROPERTIES IN
SPECIAL IMPROVEMENT DISTRICT

NOTICE OF INTENTION

PUBLIC NOTICE IS HEREBY GIVEN that on the 19th day of October, 1998, the Board of County Commissioners of Washington County, Utah (the "County"), adopted a resolution declaring its intention to create a special improvement district to be known as Washington County, Utah Special Improvement District No. 98-1 (the "District"). It is the intention of the Board of County Commissioners to finance the cost of certain road, sewer, culinary water, recreational, storm drainage, electrical and street lighting improvements within the District and to levy a special assessment as provided in Title 17A, Chapter 3, Part 2, Utah Code Annotated 1953, as amended, on the real estate lying within the District for the benefit of which such assessment is to be expended in the making of such improvements.

DESCRIPTION OF DISTRICT

The proposed District shall have the following boundaries:

The Dixie Springs Subdivision, Plats A through G, as amended and extended, as recorded in the Washington County Recorder's Office as of the date hereof.

INTENDED IMPROVEMENTS

The proposed improvements to be constructed within the District and their anticipated location are as follows:

Off-Site Improvements

1. Access Roads. The construction of two access roads, both of which lie within the boundaries of Hurricane City. The east access road corresponds with 3400 West on Hurricane City's master plan. It extends from State Route 9 on the north and terminates at the subdivision boundary aligning with 3400 West between Plats C and D. The west access road aligns with 4300 West on Hurricane City's master plan. It extends from the existing road in place at this time and terminates near the northwest corner of Plat A of the subdivision. A temporary connection to it may be required. The access road improvements include construction of the road subgrade, 7" of untreated base course and 3" of bituminous pavement to a width of 32 feet. Included in the east access road construction is the relocation of approximately 4,000 feet of existing electrical line.

2. Gravity Outfall Sewer Lines. The construction and installation of gravity outfall sewer lines which extend from the low elevation points in Plats A and C northward from the subdivision connecting onto the existing Ash Creek Special Service District's 21"

line leading to the waste treatment cells located west of 4300 West and south of State Route 9.

3. Culinary Water Storage Reservoir and Transmission Line. The construction of a culinary water storage reservoir of either concrete or steel construction to be located approximately 1,500 feet north of the northeast corner of Plat D of the subdivision. It will have the capacity of approximately 2 million gallons and will be located at an elevation so as to provide satisfactory water pressure for the subdivision. A 12" water transmission line will be extended to the reservoir from a well located in Plat D.

4. Culinary Water Well. The development of a culinary water well to be located off site from the subdivision. Its current estimated location will be south of Plats E and F of the subdivision on ground owned by the Washington County Water Conservancy District. The well will be 12" in diameter and be approximately 400 feet deep. It will be equipped with pumping and housing facilities necessary to supply adequate volumes of water and to protect it from weather and vandalism.

5. Recreational Facilities. The construction of recreational facilities on property owned by the Washington County Conservancy District and located just south of Plats E and F of the subdivision. The recreational facilities may include hiking trails, picnic facilities, ball diamond, volley ball and/or tennis court, etc.

6. Storm Drainage Facilities. The construction and installation of storm drainage facilities adequate to handle flows generated over the natural drainage flows of the subdivision. It is anticipated that storm drainage can be handled on site but may well require the use of property just north of Plats A and C or may require a storm drainage line extending north and west to the Virgin River. Facilities may include the construction of detention basins and/or drainage lines of up to 48" in diameter.

On-Site Improvements

With the exception of one culinary well that will be located on Washington County Water Conservancy District property in Plat D, all other on-site improvements will be located within the rights-of-way of platted streets within the subdivision. The proposed improvements include the following:

1. Culinary Water Improvements. The construction of water improvements which include 6" through 12" culinary pipeline with associated valves, meters, etc. required to operate the water system. A 3/4" water service connection with metering and other appurtenances will be extended to each lot. Approximately 185 fire hydrants will be placed throughout the subdivision providing fire protection to each lot.

A culinary water well will also be drilled on Lot 205 of Plat D. The well is anticipated to be 12" diameter and approximately 400 feet deep. It will be equipped to

pump 800 to 1,000 gallons per minute and will be housed to protect it from weather and vandalism.

2. Sanitary Sewer Improvements. The construction of a wastewater system comprised of an 8" sewer line with an average depth of approximately 9 feet together with manholes 4 or 5 feet in diameter. A 4" sewer lateral will be extended to each lot. The sewer system will connect to the treatment facilities of the Ash Creek Special Service District by the gravity outfall system previously described.

3. Street Improvements. The construction of street improvements beginning with 6" high back curb and gutter along each street and in front of every lot. Drainage boxes, pipe and concrete waterways will be constructed as necessary. Street improvements will include subgrade preparation, and 4" of granular borrow, 4" of untreated base course and 2 ½" of bituminous pavement on collector streets above 60 feet in width and 6" of untreated base course and 2" of bituminous pavement for residential streets.

4. Storm Drainage Facilities. The construction of a storm drainage system to collect storm water at the low elevation points in Plats A and C, piping the runoff to a drainage box facility that will first, settle heavier materials from the water and second, lift the water via pumping facilities into the Washington County Conservancy District's 54" pipe leading to Sand Hollow Reservoir. If for any reason Washington County Conservancy District objects to this option, storm runoff will be handled off site as previously described.

5. Electrical System. The construction of an underground electrical distribution system which will be placed approximately 5 feet behind the curb and gutter. All electrical wiring will be encased in conduit. Transformers, fuse pads, switches, etc., will be placed so as to provide for a functioning electric distribution system.

6. Street Lights. In conjunction with the electrical system, approximately 143 street lights will be installed throughout the subdivision.

A map showing the location of the proposed improvements is on file and available at the offices of the County Clerk in St. George, Utah during regular business hours.

METHOD OF ASSESSMENT

Assessments will be levied on a "per lot" method of assessment. For assessment purposes, a lot is defined herein as a platted lot within the Dixie Springs Subdivision, Washington County, Utah, according to the official records of Washington County, upon which a residential, commercial, or other structure to be used for human occupancy is now

or may be located consistent with the "lot size" requirements of the applicable Washington County development ordinances, extant as of the 19th day of October, 1998.

ESTIMATED COST OF IMPROVEMENTS

The total cost of improvements in the District is estimated to be \$19,254,800, all of which is anticipated to be paid by a special assessment to be levied against the property which may be directly or indirectly benefitted by such improvements, which benefits need not actually increase the fair market value of the property to be assessed. Estimated costs of assessment include estimated overhead costs which the County projects to incur in the creation and administration of the District. The property owners' portion of the total estimated cost of the improvements may be financed during the construction period by the use of interim warrants. The interest on said warrants, if issued, will be assessed to the property owners. In lieu of utilizing a guaranty fund, the County intends to create a special reserve fund to secure payment of the special assessment bonds (the "Bonds") the County anticipates issuing to finance the proposed improvements. The reserve fund will be initially funded with proceeds of the Bonds in an amount equal to approximately \$1,750,000. The County anticipates applying any moneys remaining in the reserve fund to the final payment on the Bonds which, in turn, would offset the final assessment payments to be made by the owners of property benefitted by such improvements, all of which will be further described in the assessment ordinance to be adopted by the County. In addition, estimated costs of assessment include estimated overhead costs which the County projects to incur in the creation and administration of the District. The estimated cost of improvements to be assessed by connection against the lots within the District is as follows:

<u>Improvements</u>	<u>Estimated Cost</u>
All improvements as hereinabove described	\$13,650 per lot

The Project Engineer has prepared a "Certificate of Project Engineer" which, among other things, identifies the costs of the proposed improvements. Said Certificate of Project Engineer is on file in the County Clerk's office who will make such information available to all interested parties.

ASSESSMENTS AND LEVY OF TAXES

It is the intention of the Board of County Commissioners of the County to levy assessments as provided by the laws of Utah on all parcels and lots of real property within the District benefitting by the proposed improvements described herein. The purpose of the assessment and levy is to pay those costs of the subject improvements which the

County will not assume and pay. The method of assessment shall be by lot as set forth hereinabove.

The assessments may be paid by property owners in ten (10) annual principal installments with interest on the unpaid balance at a rate or rates fixed by the Board of County Commissioners, or the whole or any part of the assessment may be paid without interest within fifteen (15) days after the ordinance levying the assessment becomes effective. The assessments shall be levied according to the benefits to be derived by each property within the District. Other payment provisions and enforcement remedies shall be in accordance with Title 17A, Chapter 3, Part 2, Utah Code Annotated 1953, as amended.

A map of the proposed District and specifications of the proposed improvements and other related information are on file in the office of the County Clerk who will make such information available to all interested persons.

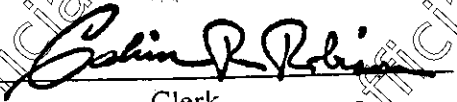

TIME FOR FILING PROTESTS

Any person who is the owner of record of property to be assessed in the District described in this Notice of Intention shall have the right to file in writing a protest against the creation of the District or to make any other objections relating thereto. Protests shall describe or otherwise identify the property owned of record by the person or persons making the protest. Protests shall be filed with the County Clerk of Washington County, Utah, on or before 5:00 p.m. on the 20th day of November, 1998. Thereafter at 9:30 a.m. on the 23rd day of November, 1998, the Board of County Commissioners will meet in public meeting at the County Courthouse to consider all protests so filed and hear all objections relating to the proposed District. After such consideration and determination, the County shall adopt a resolution either abandoning the District or creating the District either as described in this Notice of Intention or with deletions and changes made as authorized in bylaws; but the County shall abandon the District and not create it if the necessary number of protests as provided herein have been filed on or before the time specified in this Notice of Intention for the filing of protests after eliminating from such filed protests: (i) protests relating to property or relating to a type of improvement which has been deleted from the District and (ii) protests which have been withdrawn in writing prior to the conclusion of the hearing. The necessary number of protests shall mean the following: Protests representing one-half of the lots to be assessed where an assessment is proposed to be made according to number of lots.
